## LETTER OF SUBMITTAL.

---

DEPARTMENT OF COMMERCE,  
BUREAU OF FOREIGN AND DOMESTIC COMMERCE,  
*Washington, February 11, 1915.*

SIR: I have the honor to submit the following statistical report on the trade of the United States with other countries of North America and South America during the fiscal years ending June 30, 1913 and 1914. A similar report covering the trade of the United States with all foreign countries for the fiscal years 1912 and 1913 was published last year as Miscellaneous Series No. 15.

In view of the special interest manifested in inter-American trade, it was decided to limit the present report to our foreign commerce with other countries in America and to show for each of those countries a more detailed classification of articles than was used in Miscellaneous Series No. 15. It is believed that this presentation in convenient form of the articles that go to make up our trade with each of the other American countries will prove helpful to manufacturers, exporters, and the general public.

The report constitutes a cross analysis for American countries of the full statistics presented primarily by articles in the annual report of the Bureau of Foreign and Domestic Commerce entitled "Foreign Commerce and Navigation of the United States," to which for more detailed statistics the reader is referred.

Very respectfully,

E. E. PRATT,  
*Chief of Bureau.*

TO HON. WILLIAM C. REDFIELD,  
*Secretary of Commerce.*
